Sir:

Attached is a copy of European Patent Application Publication No. EP 0998086, published May 3, 2000. This document was first cited in an Office Action mailed May 25, 2009 (copy attached) in a counterpart German Application. This IDS is filed to ensure compliance with the patentee's duty of disclosure under 37 CFR §1.56.

The undersigned respectfully requests that this Information Disclosure Statement, the attached European Patent Application Publication No. EP 0998086, and the German Office Action mailed June 19, 2009 be placed in the patent file as part of the record in accordance with 37 CFR §1.501 and MPEP 2003.01. The undersigned makes no statement or admission as to the merits of the German Office Action or the contents of EP 0998086.

Respectfully submitted,
